Alan,

This confirms that the City does not seek access to inside the house or the dance hall. If there are portable structures or covered but open structures on the premises, the City seeks access inside those structures.

Mark, in discussing your request for access, I understand that the City does not seek access to Mrs. Sesko's house. What about the dance hall? Let me know. If the visit is purely external, I think we'll be able to accommodate and not fight the request. Thx
